Don't Look Back

Don't Look Back

>

Don't look back, don't turn to me.

You'll stay behind, and never leave.

Your heart will tear you inside out.

And fill your mind with many doubts.

>

My only child, my only love.

Your place is in the world above.

Not living life in slavery,

but living as you should be; free.

>

Free to learn, and learn it well;

the things life has to teach us all.

But whatever you see, what ever you lack,

where ever you go

never look back.

End
file.
